

# Carbon Literacy Training across sectors in the Leicester area of the UK.

Andrew Reeves, RCE East Midlands, UK ([areeves@dmu.ac.uk](mailto:areeves@dmu.ac.uk))

## Carbon Literacy Training:

A day of interactive learning developing understanding of the causes of climate change and inspiring individual and collective action to address it.

See <https://carbonliteracy.com>

**Principles:** Mutual Learning   Cross-sector   Collaborative

**Challenges:** Reaching all sectors   Learning to Action
