Key Questions

- (1) What has happened since the time of acknowledgement of your RCE?
- (2) What **results and learning works** of the RCE have brought benefits to your region? What were particularly successful strategies and achievements?
- (3) What are the **results of the collaborative continental learnings and actions** of the RCE? What worked best?
- (4) What are proven and **potential possibilities** to bring work of the RCE to a new level? What are the **actions** necessary to realize these possibilities?
- (5) **What is needed** to support and empower the RCE in its local and international works?
