

14th AFRICAN RCE REGIONAL MEETING

28th, 29th & 30th August 2024

THEME: Role of RCE in Climate Action, Education for Sustainable Development and Sustainable Development Goals

VENUE: University of Eldoret - Main Campus

The **University of Eldoret (UoE)**, in partnership with the collaborating institutions, **National Environmental Management Authority (NEMA)** and **Eldoret National Polytechnic** are proud to host the 14th African RCE Regional Meeting. The 14th Africa RCE Meeting is the first RCE Meeting to be held in this region since the RCE North Rift was acknowledged by the Ubuntu Alliance Committee of Peers for the RCEs and the Global RCE Service Centre in 2016.

The RCE North Rift Covers Nandi, Uasin Gishu, Elgeyo Marakwet, Trans Nzoia, West Pokot, and Baringo counties which collaborate under the North Rift Economic Bloc (NOREB). The RCE North Rift is hosted at the University of Eldoret and supported by NEMA-Kenya, The Eldoret National Polytechnic among other stakeholders. The RCE advances climate action, Education for Sustainable Development and the Sustainable Development Goals through collaborative efforts with local communities, Academia and governmental bodies fostering knowledge exchange, capacity building, and innovative solutions.

The meeting will highlight these collaborative efforts. It will seek to ignite a discussion to address Africa's climate vulnerability and promotes sustainable development practices. Participants will have an opportunity to explore the region's natural beauty, cultural, social heritage and engage with the local communities.

Objectives of the Meeting:

To mobilize communities, learning institutions and other stakeholders, to take active role in ecosystem restoration, waste management, sustainable livelihood, adoption of renewable energy for climate action through ESD

1. Enhanced behavior changes from case studies presentations.
2. Number of activities and projects documented/publications providing a global learning space
3. Community sensitization on Climate change, adaptation and mitigation
4. Partnerships and networking on Climate action, ESDs and SDGs.

Registration:

Please register yourself to participate the meeting in-person or online through the registration [form](https://x.gd/AUV0G) (<https://x.gd/AUV0G>)
