

# 2019 UNAAWA GLOBAL GOALS CHALLENGE

## FINALIST PROJECT

### **ENTRANT:**

Melville Primary School Year 6 students

### **PROJECT TITLE:**

Establishment of a Sustainable  
Development Goals mindset

### **GLOBAL GOALS:**

All Goals but especially SDG17  
Partnerships for the Goals

### **DESCRIPTION:**

Student leaders attended the UNAAWA  
Student Parliament to design their  
project. When they returned to school  
they:

Informed all other Year 6 students  
about the SDGs

Aligned their Ministries with the SDGs

Generated ideas for informing the rest  
of the school community about the  
SDGs

Promoted SDGs with the whole school

### **REFLECTIONS:**

#### **WWW** [*What Worked Well?*]

The Education side of it – educating the  
student body on the SDGs, across not  
only the Year 6 cohort, but also the  
school. It has brought a new whole-  
school community focus on Global  
Goals and ‘Making a Difference’, but  
particularly in the upper years (as these  
students are heavily involved in  
parliamentary duties).

#### **EBI** [*Even Better If...*]

Sharper time management. This was a  
VERY large challenge to take on, with  
MANY branches needing to be put in  
place over time. Narrower focus  
needed.

#### **Advice** for Next Year's Student Leaders
