

2023 Global ESD Youth Project Neuru Season 3

I Operation overview

□ Description and Aim

- Project Neuru is a global ESD youth collaborative project that utilizes the "photo-voice" research method to foster ecological literacy and global leadership among domestic and foreign youth as a specialized project in connection with RCE Dobong-gu overseas.

- ※ Neuru: It is a pure Korean word for 'a long time, not rushing all at once', and it has the meaning of aiming for a long-lasting sustainable development life for youth.
- ※ Photo-voice: This is a field-participatory research method that promotes change in the local community by revealing one's voice and experience through photography.

□ 2023. Project Neuru Season 3 Plan

- Main topic: **A House that Saves the Earth**
- Period: **April ~ October, 2023 / Saturday, 1~2 times a month, 09:00~10:00 (KST)**
- Method: **Zoom based photo-voice research**
- Target: Youth from RCE cities and interested in ESD (aged 10 years over)
- Operational composition
